### REASON FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the art of record considered as whole, alone or in combination, neither anticipates nor renders obvious a rotary edging wheel (10) comprising an circumferential abrading surface (14) having a width and abrasive grit attached thereto wherein the surface is substantially planar and wherein the surface is operable for edge finishing of an optical lens and at least one swarf clearing groove (16) extending at an angle at least across the entire width of the abrading surface and opening into the planar surface portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
